MISSION

YashoGanesh Tutorials is not like conventional coaching class but epitome of nurturing special cultural values along with education. We are committed to provide best and affordable education to every student through our experienced and dedicated teachers by using latest technologies in educational “learn with fun” environment. We stand by our responsibility of not only providing good quality education but also creating good citizens for our society.

VISION

- To provide best quality and affordable education and to become pioneers in educational field. We want to be part of every student’s success story.
- To bring best out of every student’s abilities and to make them more competitive.
- We as a team will play mentoring role of nurturing of young minds in moulding and shaping thoroughly to make their dreams into reality through exploring their full potential to build up self confidence and skills development.

CORE VALUES

- Values are fundamental beliefs that help shape human attitude and thus make a positive difference to the people around. Values are best imbibed at an early age from parents, school, teachers and other influences around the community. Values thus imbibed at an early age helps create a consistent culture and helps build great characters among the youngsters.
- YASHOGANESH TUTORIALS are strong believers in fundamental values and we live our values day-in and day-out and instill these basic human values in our young students. This not only helps our students but also helps a better generation for the future and thus contributes to the better world.

ACHIEVEMENTS

- YASHOGANESH TUTORIALS has been successfully stepping the milestones in the field of education having minimum strength of 450 + students in various courses. We have blooming laurels from our Institution.
- Many of our students have won trophies, Gold medals, Silver medals & Bronze medals in the State/ National / International levels in Vedic Maths & Abacus competitions.

YashoGanesh Tutorials is one of the best educational institute which focuses on the overall holistic development of the child. **Every Child is Special for Us !** We see to it that your child’s personality blooms under our nurturing.

We believe in focusing on basic concepts. So that the academic of students becomes strong. We bring out the best from our students and make themselves believe in their inbuilt potential.

Our aim is to provide the best professional platform to our students from their early age by supporting them with proper guidance from our qualified and experienced teachers team.

01 YGT HIGHLIGHTS

- Subject wise conceptual notes.
- Separate worksheets for English Grammar and enhancement worksheets of writing skills.
- Audio – Visual mode of learning.
- Comprehensive question bank for self - study along with Test Series.
- One – to - One connectivity between parents – teachers – students.
- Exhaustive feedback system for quality improvement from students & parents without revealing their identity.
- Surprise checks and tests to improve performance of students.
- Presence of in-house mentor to cater to all the needs of students as well as parents related to academics as well as non-academics.

02 Best And Dedicated Faculty Team :

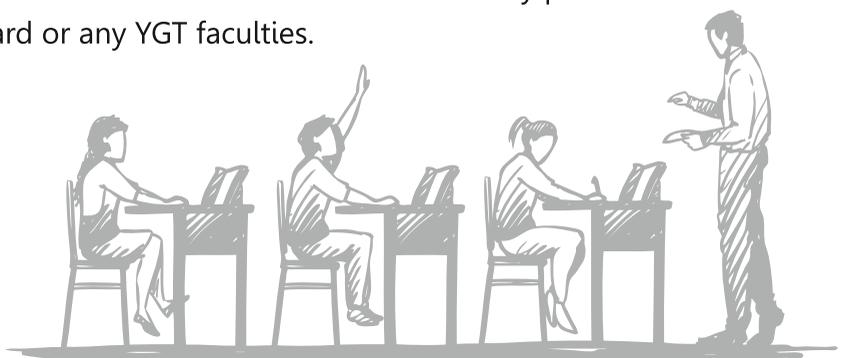

The backbone of any coaching institute is their faculty team.

The key strength of YashoGanesh Tutorials is it's family of experienced and extremely knowledgeable teachers.

YashoGanesh Tutorials conducts regular training and get-together sessions for faculty members so that they will be well-versed in the latest teaching practices, syllabus & patterns and methods to enrich themselves. Our ultimate aim is to provide best and true guidance to students. In YashoGanesh Tutorials along with experienced visiting professors, best-in-house faculty team is also ready to be with students any time to help them.

03 FEEDBACK SYSTEM

We value our parents and students feedback and positivity. We consider their request & implement the process where required. This is one of the powerful system of YGT to get connected with the parents & understand their demands from us and any problems to be sorted out in regards to their ward or any YGT faculties.

SHNP

FROM DIRECTOR'S DESK...

Dear Students,

I know, in today's competitive world, everyone wants to be successful and outstanding among others by scoring excellent marks. Dear, can this be your ultimate goal of life ? Can it alone bring happiness to you ?

So, don't just run blindly in the rat race and loose your identity. Your goal should be acquiring the treasure of knowledge along with scoring good marks.

So, be the best HUMAN BEING - polite and humble - inspite of achieving all the materialistic things and success in your life.

Try to be an 'ACHIEVER' not only in terms of money and fame but also in terms of 'PURE KNOWLEDGE' which will last forever ! This, then will help you to become a good leader, a better citizen and the best Human Being !

Thank You !
